Apologies for absence had been received from Councillors Hitchcock and Jarratt and from Borough Councillor Clare.

17-87 Variation of order of business

It was agreed to bring forward the public session in order that the residents in attendance may speak.

- 1) Representatives of the Friends of Risley School Association had delivered the necessary information for the Rural Community Grant to the Clerk prior to the meeting and came to see if the Parish Council would support their application. Through the Chair, Councillor Major reported that the application would not be accepted by the Borough Council as the works required to the School's playground was the responsibility of the County Council. The work was hoped to be carried out during the February half term and Councillor Major reported that he may be able to offer a donation to the fund from his community grant funding in the new year. Councillor Jones also suggested that a request for assistance be made to the Risley Educational Foundation Trust and possibly to Councillor Clare to see if she would be able to assist from her community fund.
- 2) A resident attended the meeting after reading of the HS2 Growth Strategy to ask what representations were being made from the Borough and Parish Councils. Councillor Major confirmed that the Borough Council had two representatives on the Panel who had raised concerns on behalf of residents and advised that residents contacted the Member of Parliament for Erewash, Maggie Throup, with their concerns. The Parish Council would also be asking Ms Throup for a meeting to discuss the issue.

17-96 Matters for determination

- (a) The Clerk reported that she had been in contact with the Cricket Club regarding their request for further support for a Rural Community Grant for works to the pavilion roof. Unfortunately, they did not have the necessary three quotations which would be required and therefore the Parish Council would be unable to submit an application on their behalf. It was hoped that a further round will be forthcoming in the new year.
- (b) The Carols around the Tree event is to be held on Tuesday, 12 December 2017 commencing at 7.00pm. The Salvation Army Band had been booked; Councillor Jones volunteered to collect the mince pies; the Clerk is to organise the provisions for refreshments and the orders of service and Councillor Rhodes agreed to sort the PA system.
- (c) The Clerk reported that she was still awaiting confirmation from the County Council on the works required to the footpath at Meadow View Court.
- (d) The Clerk reported on the letter of thanks received from the Women's Institute for the donation following the Brass Band afternoon. The organisation has confirmed that they would not require a band for their centenary event in 2018 and it was RESOLVED to arrange a further musical event in 2019.
- (e) The Clerk reported that a Borough/Parish Forum meeting has been arranged for 30 November 2017 at the Ilkeston town hall commencing at 2.30pm and that the Head of Planning and Regeneration will be available to give an update on the HS2 scheme.
