Dear Sir or Madam

Essential Footbridge Maintenance – A52 Cole Lane, Borrowash, Derby

I am writing to let you know that we will be carrying out essential maintenance work on the footbridge over the A52 at Cole Lane, Borrowash.

We plan to start this work on 19th June and will finish on 14th July. To minimise disruption we will mostly work overnight between 8pm and 6am.

To carry out this work safely we will need to close the footbridge during the work.

We will need to close the slip roads to and from Cole Lane to the A52 during the day from 7am to 5pm between 19th June and 26th June. We will also need to close the A52 carriageway at night between the A5111 at Raynesway to the M1 at Sandiacre from 8pm to 6am between 19th June and 14th July. We will only carry out work on one side of the carriageway at a time. We will keep the A52 carriageway open as normal during the daytime. I apologise for any disruption this may cause you.

During the closures, we'll put in place fully signed diversion routes along the A6005, B5010 and Bostock's Lane or via the A5111, A6, A50 and M1. This has been agreed with the local authority.

We will also be carrying out other works along the route to make best use of the closures and minimise future disruption.

We are currently notifying key stakeholders including emergency services and local residents.

Please note that all planned roadworks are subject to change due to weather conditions or unforeseen circumstances. We will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.

Contact us

If you have any questions about our work, please contact the Highways England Customer Contact Line 0300 123 5000, or you can e-mail us at info@highwaysengland.co.uk for the attention of **East Midlands Asset Delivery**

Yours faithfully,

East Midlands Operations Directorate
